HCAA Spring Meeting & Awards Supper

Tuesday, May 2, 2017

Bella Vista Inn, Humboldt

2:00 meeting; awards and supper (no charge) to follow

Some reminders regarding the meeting:

1. If you have **motions pertaining to the HCAA (District)**, please submit them to Barry Croshaw **prior to the meeting** so he can pre-circulate them, allowing the appropriate people time to look at them and the opportunity to provide feedback to the school reps who will vote on them at the meeting. This will allow for informed discussion prior to the meeting.
2. **Other Agenda Items** – Please send all other items you feel need to be discussed at the HCAA Spring Meeting to Barry Croshaw a.s.a.p. so he can get them on the agenda prior to the meeting (also allowing him to pre-circulate all agenda items).
3. If you have **motions pertaining to the SHSAA**, this is the meeting where the HCAA must approve them (motions to the SHSAA AGM must come from the District and not from individuals). Again, please submit them to Barry Croshaw **prior to the meeting** so he can pre-circulate them, allowing the appropriate people time to look at them and the opportunity to provide feedback to the school reps who will vote on them at the meeting. This will allow for informed discussion prior to the meeting.
4. **HCAA Recognition Awards (and supper)** – will take place shortly after the meeting (awards first, then supper). No charge to attendees and guests for supper. Brian Grest will send an e-mail outlining the nomination process for these awards to deserving individuals, and later an e-mail asking for exact attendance numbers (for the caterer).
5. **SHSAA AGM – WE HOST THE SHSAA AGM in Humboldt** this year (June 21-23). President Barry Croshaw will be asking for names of delegates, observers, and helpers at this meeting. Please talk to your principal and get the necessary permission to attend if you would like to go as we will be finalizing names at this meeting. Please submit your name as a possible attendee to Barry Croshaw **prior to the meeting** so he can discuss the parameters with you prior to the meeting.

REMINDER: We will soon be seeking nominations for the SHSAA Awards for our District (Service Award, Merit Award, Outstanding male and Outstanding Female Coach, Outstanding official). Brian Grest will send a more detailed notice on this soon.
